Activity Description:

Department of Information Technology had organized a group discussion activity for second year students under ITSA and ACM. The event was conducted on 8th Jan 2020 at 3:30 in class room A-315.

Total 54 students had participated in the activity and four group discussions conducted amongst all the students. Topics for the discussion were 1. Jobs Vs Business 2. College degree vs Skills 3. Examination, has it killed education? And for fourth group topic was Nepotism. Students had participated enthusiastically and expressed their views in front of all. They were judged by Prof. Vaidehi Banerjee on parameters like initiative, contribution, communication, persuasion and group dynamics. Two students from each group was selected and was awarded by small gift as token of appreciation.

The event was enjoyed by the students and it was really a good start of the semester for IT student association.
